April 15, 2008

To Whom It May Concern:

On November 21, 2008, St. Patrick's School will be hosting its first Annual Dinner Auction. This event will play a major role in raising funds to support our academic programs, scholarships, professional development, and technology enhancements.

St. Patrick's school was established in 2004 and is a Catholic elementary school located Rockville, Maryland. Our mission is to provide a quality Catholic education in a secure and caring community. It is our goal is to help students reach their full potential while pursuing academic excellence. St. Patrick's is self-supportive and we receive no funding from any other parish or the Archdiocese, and the vast majority of the funds raised through our Auction go directly to the school.

St. Patrick's School is proud of the community we have created in the four short years since our doors opened. We have developed strong academic standards and provide many after school programs for our students including a full, varied sports program.

As a new school, we have focused on developing a technology program that is state of the art. One of the school goals is to provide an aggressive cutting edge technology curriculum for our students. It is also a goal to provide continuous professional development for our teachers so that they are exposed to innovative teaching strategies and current educational trends.

We thank you in advance for any support you can offer St. Patrick's. It is very exciting to be in a school that has such tremendous positive energy. We are eager to move forward as we strive to provide the best education possible for our students. We can do this with your support. We are proud of our accomplishments to date, and we ask you to join us in our dream of becoming a truly excellent school.

Sincerely,

Monsignor Kevin T. Hart
Pastor

Susan Splendido
Principal
